Every contestant that participates in our 2022 Alabama State Finals will qualify to compete at our International Finals this summer in sunny Orlando, Florida where we will celebrate our 55th year of Fun and Exciting Natural Pageantry! Just minutes from Walt Disney World, Universal Studios, and much more, 2022 International Finals will definitely be a vacation that the entire family can enjoy! International Girl is Simply the Best where Excellence has always been a Tradition! We hope you will join us at the next level of competition and continue to participate in our many events & activities throughout the year.

In today's world, it is becoming increasingly more important for our young girls to participate in programs that allow them to break out of their shell and build self-esteem in a safe and supportive environment. Our participants have gone on to excel in various fields such as print work (catalogs, magazines, newspaper ads, etc.), television, movies, Broadway, and the music industry. Furthermore, many of our former International Girls have grown to become strong leaders in their communities, successful professionals in all walks of life, and passionate advocates for the importance of youth development programs like International Girl.

Over the years, International Girl has become synonymous with excellence in competitive opportunities for young ladies; But the reason that our program has become so special to so many is this: we are not just another pageant system - we are a *family*. As the Alabama State Director, it is my honor to welcome you to the Alabama International Girl Family! I am so excited to see what this year has in store for us! I hope that you will reach out to me with any questions that you have over the coming weeks. I am happy to assist in any way that I can as you prepare for the 2022 Alabama State Finals. We cannot wait to see you there!

Host Hotel - Holiday Inn Mobile Downtown

301 Government Street
Mobile, Alabama

They say the heart of any city is its downtown and ours is beating loudly these days. The twelfth busiest port in the country, Mobile is the social, economic and creative hub of the entire Gulf Coast - our colorful downtown has drawn people for centuries. Many large businesses are headquarterd in downtown Mobile right next to quaint, locally-owned art galleries, shops, and restaurants.

Mobile is home to America's Original Mardi Gras and each year, it hosts the oldest organized Carnival celebration in the United States, right in the heart of downtown. The festival began to be celebrated in the first decade of the 18th century, during the city's French colonial period.

Mobile also formed the first formally organized mystic society, also known as a krewe, in 1830. Since then, downtown has become the hub of cultural, social and celebratory events.
